ICT Schools Summit WA

AGENDA

8:30AM REGISTRATION & REFRESHMENTS

9:00AM WELCOME REMARKS

Chairperson: Gabrielle Trinca, Head of Learning Technologies, Guildford Grammar School

9:10AM INTERACTIVE

The one digital change that would make the biggest difference

9:40AM PANEL DISCUSSION

Designing for Digital Equity: Building Inclusive, Student-Centred Tech Strategies

- Designing for inclusion from the start - not treating equity as an afterthought in tech planning or rollouts
- Aligning ICT strategies with broader school priorities around wellbeing, learning outcomes, and community engagement to be truly effective
- Developing digital capability across the school by lifting staff and student literacy to enable thoughtful and ethical tech use

Norbert Samuels, Deputy Principal, Balga Senior High School

James Dove, Digital Learning Coordinator K-12, Corpus Christi College

Cleo Jenkins, Principal, Harrisdale Primary School

Tamjid Aijazi, Chief Information Officer, Australian Islamic College

Moderator: Kalea Haran, Principal, Penrhos College
